Change Password

This guide explains how to change your password in the Stella Care app and which requirements the new password must meet.

How to change your password

1. Tap the **gear icon** in the top right corner to open Settings.
2. Select **Change password**.
3. Enter your current password.
4. Enter your new password.
5. Enter the new password again to confirm.
6. Tap **Save**.

Your new password takes effect immediately.

Password requirements
