Download the Stella Care app

This guide explains how to download and install the Stella Care app on your smartphone.

How to download the Stella Care app

1. Open the **App Store** on iPhone or **Google Play** on Android.
2. Search for **Stella Care**.
3. Select the app in the search results.
4. Tap Download or Install.
5. When the installation is complete, you can open the app directly from the store or from your home screen.

Tips

- Make sure your phone is connected to WiFi or mobile data so the app can download without issues.
- If you cannot find the app, double-check the spelling in the search field.
